Re: Project: \_\_\_\_\_

We request to work \_\_\_\_\_ from 8:30 to 5:00 p.m. The construction  
(day & date)  
activities to be performed are as follows: (detailed description of work)

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

This work will require inspection by City inspectors to ensure compliance with City ordinances (dust, noise, erosion control, etc.) and compliance with the project plans and specifications. I, as an agent for the applicant, authorize the City to charge the cost of the required inspections against our deposit. We will have a soils engineer present on site.

I understand that I must request permission to work extra hours **in writing** no later than 5:00 p.m. on **WEDNESDAY** of each individual week. Approval of this request does not convey blanket permission for all weekends, nor does it cover services by a building inspector.

I hereby state that I am authorized by \_\_\_\_\_ to submit this request  
(Name on Account)  
and incur these charges.
